

## side reactions of onium coupling reagents bop and hbtu in

Sat, 16 Feb 2019 15:55:00

GMT side reactions of onium coupling pdf - As shown in Scheme 2, the controlled formation of a peptide bond (the so-called "coupling" reaction) between two amino acids requires activation of the carboxyl group of one for facile reaction with the amino group of the other.

Sat, 13 Oct 2018 23:53:00

GMT Recent development in peptide coupling reagents ... - The propagation rate scales with a square root of the radical initiator concentration and its efficiency of initiation (typically in the range of 50-80%).
