Algebraic Topology Homework 4 Solutions - boun.edu.tr - Algebraic Topology divides naturally into two channels, with the broad topic of Homotopy on the one side and Homology on the other. We have divided this material into four chapters, roughly according to increasing sophistication, with Homotopy split between Chapters 1 and 4, and Homology and its mirror variant Cohomology in Chapters 2 and 3. These four chapters do not have to be read in this ...
